### Go Deeper

Read 2 Corinthians 4:8-18

Over the Fourth of July, I came home to visit with family. What was supposed to be a quick trip became a stay without an end due to unforeseen circumstances. I am definitely not upset to be "stuck" in North Carolina with family, but I certainly miss my husband. After having a faith conversation with my mom, I was filled with thanksgiving for what 2020 has brought our family.

2 Corinthians 4:15 says, "All this is for your benefit, so that the grace that is reaching more and more people may cause thanksgiving to overflow to the glory of God."

God is moving. We may not see it if we are blurring our vision with news and social media... but when we truly step back and look in our own hearts and at those around us, He is on the move! This year sure has been keeping us all on our toes, but watching God move in my own family has given me a thankful perspective.
