Sermon Questions

Blessed To Be A Blessings: The Bucket List - Pastor Jared Herd

Scriptures: Matthew 6:19-34; Malachi 3:10

1. Pastor Jared introduced the five uses of money: 1) supporting a lifestyle, 2) repaying debt, 3) paying taxes, 4) saving, and 5) giving. The order in which you place the buckets reveals what's in your heart. How would you order your actual use of money from priority #1 to priority #5? What does this say about your heart and attitude toward God?
2. Read Matthew 6:21. Share how this verse resonates with you.
3. Pastor Jared shared that we all have something sitting on the throne of our hearts and our money is the roadmap to our souls. With this in mind, what might be taking the place of Jesus as it relates to our finances?
4. Matthew 6:22-24 reminds us "The eye is the lamp of the body," meaning what we crave and covet leads us into either light or darkness. What are your biggest weaknesses when it comes to the use of money? Some examples might include shopping, credit cards, tobacco, alcohol, travel, etc. How do these purchases affect your heart? Are the results temporary or eternal?
5. List some reasons why money is a terrible master. List some reasons why God is a good master. What is one step you can take today to solidify God as master over your finances?

Pray

Please pray over our Collide year-end offering that kicked off this week through December 31. Pray that God's plans for our church are perfectly revealed as we all step in exactly as we are called. Pray that we begin to posture our hearts in the direction of gratitude in all that we do, generously, one day at a time.

Praise the Lord, my soul,
and forget not all his benefits—
who forgives all your sins
and heals all your diseases,
who redeems your life from the pit
and crowns you with love and compassion,
who satisfies your desires with good things
so that your youth is renewed like the eagle's.
