Sermon Questions

The Legacy of Favor - Pastor Josh Hotsenpiller

Scriptures: Psalms 5:12; Genesis 37:36, 39:2-4, 39:20-23, 41:9-16, 41:38; Matthew 5: 14-16; Isaiah 61:1

1. Genesis chapters 37-41 tell part of the story of Joseph, the favored son of Jacob. In the secular world, what do you think it means to be favored? Is it a good thing or a bad thing? What do you think it means to be favored by God? How are they the same/different?
2. Pastor Josh said favor comes with friction. What was Joseph's reaction to friction that helped him face the bad breaks in his life? When you encounter friction, do you choose to be in the presence of God, or do you hide?
3. How does being in the presence of God shift a victim mentality to a conqueror mentality?
4. In this message, we learned that the favor of God will always push you forward into a bigger story. How does this statement help us embrace the purpose of friction? In your current situation, how have you seen the chess pieces moving? Are you moving with them, or is something still holding you back? How can your group pray for you?
5. Read Matthew 5:14-16. Pastor Josh said that The Church at Rancho Bernardo is supposed to be the spiritual house that builds us. How is God using our church to be a light unto the world - and what is your role? When God shows you His favor, what will you do with it? Read Isaiah 61:1 for some ideas.

Pray With Us

Join us in prayer over the families and the 13 children that were dedicated to the LORD on Sunday! Pray that the parents and other special people in their lives will feel equipped and empowered by God to raise their children to know and love Jesus. And may the children know the depths of the love of their Heavenly Father through the words, actions, and provisions of their earthly parents and guardians.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14
