Happy Valentine's Day! God has shown all of us love through his promises and through others. When have you experienced God's love through another person? What did the person do that made you feel loved?

Sermon Questions

A Legacy Anyone Can Leave - Pastor Jared Herd

Scriptures: Genesis 29:15-30, 33, 35

1. What is it that one thing you spend time pursuing (new car, promotion, perfect vacation, etc.), thinking it will bring you happiness? Did it?
2. Read Genesis 29:15-30. What was Jacob pursuing? What was Leah pursuing? Did their pursuits come from a sinful place?
3. Pastor Jared said "You don't commit a sin, sin has a way of committing you." What was the reverberant effect from Isaac to Jacob to Leah? Have you had an experience in your life where you were a "Jacob"? Does that make you any different now - how?
4. Richard Rohr says "*If we do not transform our pain, we will most assuredly transmit it...*" What was the decision that Leah made that broke the cycle? What do you need to do to break yours?
5. Pastor Jared reminded us that "in the morning, all the Rachels we follow in life turn into Leahs." What do you do at that moment? We can either play the blame game or we can hit our knees like Leah. When we do that, what can we expect God will do with our disillusionments?
6. To leave a legacy that anyone can leave, our children need to see our dependence on God. What will this look like for you?

Pray With Us

Join us in prayer for the kids that attended winter camp this past weekend. Pray that the spiritual decisions they made would continue to be nurtured and the Holy Spirit would finish the work in them that was started this weekend. In addition, there was so much progress in building community and connection, pray that this continues!

And we all, who with unveiled faces contemplate the Lord's glory, are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit
