### Sermon Questions

*Easter - Pastor Jared Herd*

Scriptures: 1 Corinthians 15:3-6, 16-20, 54-55, 58; Galatians 5:22-23

1. What are your thoughts or questions about the resurrection of Jesus Christ? How do you know that He really rose from the grave?
2. Pastor Jared began the sermon by reminding us that, through a real resurrection, God granted us a gift in full ("It is finished."), but then he asked us if we were receiving it in full. In what ways do you attempt to "add" to your salvation or make amends for your sin? Do these actions bring us closer to God? Why or why not?
3. From a worldview, there is a tendency for the resurrection to be sentimentalized – to turn it into something less than what it is. You cannot be indifferent, we do not live in a Hallmark world. How could your choice to believe in a "real" Easter influence the world around you - your family, your workplace, your neighborhood, etc.?
4. When we fully accept Jesus' gift, Heaven and eternity take on a new meaning than what we may have thought. Why do these three things matter to hope and how do they help us engage in this life? Are you inspired to live differently?
  - Sharpen our senses
  - Take the sting out of death
  - Swallow suffering
